Re: DE 20-170, Electric Distribution Utilities  
Electric Vehicle Time of Use Rates  
Amended Procedural Schedule

To the Parties:

On January 29, 2021, Commission Staff (Staff), with the assent of the parties, requested the Commission to approve the following proposed amended procedural schedule:

Technical Session	February 9, 2021, at 10:00 a.m.
Electric Vehicle Time of Use Rate and Feasibility Assessment Filings	April 30, 2021
Technical Session	May 20, 2021, at 10:00 a.m.

Staff stated that the amended procedural schedule would allow the parties to discuss the alternative metering feasibility assessments at the February 9 technical session and the remainder of the procedural schedule at the May 20 technical session.

The Commission has determined that the proposed amended schedule is in the public interest and, therefore, has approved it.

Sincerely,

A handwritten signature in black ink that reads "Debra A. Howland".

Debra A. Howland  
Executive Director
