RE: Docket No. DE 20-170 – Electric Vehicle Time of Use Rates
Public Service Company of New Hampshire d/b/a Eversource Energy

To Commission Staff:

In accordance with the Commission's hearing guidelines issued for this docket on October 15, 2021, Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource") respectfully requests accommodations for a hybrid hearing to be offered for the January 10, 19, 20, 25 and 26, 2022 hearings. The hearing on January 10 begins at 1 p.m., all other hearing days begin at 9 a.m. All Eversource witnesses would have to travel from out of state, requiring two overnight stays for each witness. Additionally, with COVID cases on the rise there is a concern about interstate travel at this time.

Following the March 17th letter of the Commission this petition is being filed electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
