Dear Chairman Goldner:

In response to the Commission's December 7, 2022, letter of non-compliance, on behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty attached to this cover letter are electronic copies of the above-referenced compliance tariff pages. As noted in the Company's April 11, 2023, letter, Liberty, the Department of Energy, and Commission Staff met in a March 29 technical session to discuss Liberty's filing of compliance tariffs in these dockets and the way Liberty may file proposed and compliance tariffs in future dockets. This filing addresses the issues with prior compliance filings.

Specifically, the enclosed, Original pages 128 and 133 correct the value for the distribution TOU rates in the Company's July 6, 2022, compliance tariff filing. The enclosed Fifteenth Revised Page 127 and Second Revised pages 128 and 133 correct the value for the distribution TOU rates in the Company's November 7, 2022, compliance tariff filing.

Daniel Goldner, Chairman
20-170
