Date Request Received: 7/14/23
Request No. RR A

Date of Response: 7/20/23
Respondent: Heather Tebbetts

REQUEST:

Please confirm whether any customers' bills have been impacted, or will be impacted, by the errors and corrections Liberty has made to the EV-L and EV-M rates since July 2022.

RESPONSE:

The Company confirms that no customer bills were impacted or will be impacted by the corrections Liberty made to the EV-L and EV-M rates since July 2022.

Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty

DE 20-170
Electric Vehicle Time of Use Rates

DE 22-035
Request for Step Increase

NHPUC Record Requests – July 14, 2023

Date Request Received: 7/14/23
Request No. RR B

Date of Response: 7/20/23
Respondent: Heather Tebbetts

REQUEST:

- (i) Please refer to page 5 of the Settlement Agreement in Docket No. DE 20-170. Please confirm whether the input sources provided on June 15, 2023 for the G-1 and G-2 revenue requirements (i.e., Att. HMT-1 DE 22-035 reference 8-1-2022 and Att. DE 19-064 rev req Order No. 26,537) for on-peak, off-peak, credits, etc. are correctly reflected in calculating the time-varying kWh rates for EV-L and EV-M, respectively, per the Settlement Agreement.
- (ii) Please ensure, or provide an explanation confirming, that the distribution rates on tariff pages 128 and 133 match the rates calculated in the model, as provided under Docket Nos. DE 20-170 and DE 22-035, and that the page numbers are also correctly reflected in the latter docket.

RESPONSE:

- (i) The Company confirms that the input sources are correctly reflected in accordance with the Settlement Agreement.
- (ii) The Company reviewed the filings associated with the Letter Requesting Additional Information to Support Liberty's Tariff Filings dated May 15, 2023. In review of tariff page 128 issued in Docket DE 20-170 on April 13, 2023, and effective July 10, 2022, the rates in the model provided for the summer period match the rates in the tariff.

In review of tariff page 133 issued in Docket DE 20-170 on April 13, 2023, and effective July 10, 2022, the rates in the model provided for the summer period match the rates in the tariff.

In review of tariff page 128 issued in Docket DE 20-170 on June 15, 2023, and effective November 1, 2022, the rates in the model provided for the winter period match the rates in the tariff.

In review of tariff page 128 issued in Docket DE 22-035 on April 13, 2023, and effective on August 1, 2022, the rates in the model provided for the summer period match the rates in the tariff.

In review of tariff page 128 issued in Docket DE 22-035 on June 15, 2023, and effective on November 1, 2022, the rates in the model provided for the winter period match the rates in the tariff.

The page numbers in either docket did not change for the filings noted above.
