Procedural Order Re: Compliance Tariff Report

On August 17, 2023, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (Liberty), the New Hampshire Department of Energy, and Commission staff attended a public technical session to resolve questions about how Liberty has calculated its EV-L and EV-M rates starting with the original rate effective July 10, 2022. At the session, Liberty agreed to file a report with a detailed explanation of how the Commission can validate the EV-L and EV-M rates, including the original rate and all changes in subsequent compliance tariffs, based on the information Liberty has filed with the Commission. Liberty also agreed to add a list of all outstanding compliance tariffs that have been affected by the issues related to the EV-L and EV-M rates for the Commission to review and approve, and to provide a recommended sequencing for Commission review of these tariffs. The Commission requests that Liberty file this report by August 24, 2023.

So ordered, this eighteenth day of August, 2023.
