Re: DW 20-176 Pennichuck Water Works, Inc.
Twin Ridge Franchise Expansion for Beede Waste Oil Superfund Site
Petition to Expand Franchise

Dear Director Howland:

On October 29, 2020, Pennichuck Water Works, Inc. (PWW) filed a motion to modify Order No. 25,393 to allow for expansion of one additional lot in the Twin Ridge subdivision. Since that filing, Staff contacted PWW and expressed its opinion that the franchise expansion could stand on its own without the need to request modification of Order No. 25,393. Therefore, pursuant to the Commission's temporary filing requirements, PWW files the attached petition and supporting materials with the intent of replacing the request in the filed motion that the Commission modify Order No. 25,393. PWW requests the Commission treat the remainder of the filed, verified motion as testimony because the facts contained therein have already been sworn to as accurate by both PWW and Beede Site Group.
