Re: DW 20 – 187 Lakes Region Water Co., Inc; Request to Change Rates

Dear Chair and Presiding Officer Martin:

Please find a Temporary Rate Settlement Agreement (“Agreement”) between Lakes Region Water Co., Inc., and the Department of Energy for filing in this proceeding. Please note that this is a partial settlement agreement as the Lake Ossipee Village homeowners (“LOV”) are not party to the Agreement.

I note that the Commission has scheduled a hearing on Lakes Region’s request for temporary rates for Wednesday September 8, 2021 and that Monday September 6, 2021 is a state holiday. As a result, Lakes Region is working with the Department and expects to file exhibits for the Settling Parties on Wednesday September 1, 2021.

If there are any questions, please contact me.

Very truly yours,
