DOCKET NO. DW 21-002

**MOTION TO WITHDRAW PETITION TO APPROVE
FINANCING FOR 2021 CAPITAL ADDITIONS**

The Hampstead Area Water Company, Inc. ("HAWC" or the "Company") respectfully moves the New Hampshire Public Utilities Commission (the "Commission") to withdraw the Company's Petition to Approve Financing for 2021 Capital Additions (the "Petition"), pursuant to NH. Admin Rules, Puc 203.07.

In support of this motion, HAWC states as follows:

1. HAWC filed the Petition on January 13, 2021. The Commission issued an Acknowledgment Letter January 15, 2021.
2. The Company has determined it will be more efficient to pursue the capital additions sought in the Petition – to purchase two work trucks – by using cash or its line of credit previously approved by the Commission in docket DW 18-147.
3. HAWC contacted counsel for Commission Staff and counsel for the Office of the Consumer Advocate to discuss the situation and seek their assent to the relief sought in this motion and both indicated to say each "takes no position on the Company's motion to withdraw."
4. For these reasons HAWC requests that the Commission grant this motion and withdraw the Company's Petition.

WHEREFORE, The Hampstead Area Water Company, Inc., respectfully requests the Commission grant this Motion allowing the Company to withdraw its Petition to Approve Financing for 2021 Capital Additions.

Respectfully submitted,

HAMPSTEAD AREA WATER COMPANY, INC.
