**Re: Docket No. DE 21-004; Liberty Utilities (Granite State Electric) Corp.  
Least Cost Integrated Resource Plan**

Dear Chairman Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, I write to request an extension to August 5, 2022, of the deadline for filing responses to the Commission's record requests (which deadline is currently July 25).

A combination of having key personnel out of the office on vacation and the number and complexity of the questions renders it very difficult to provide comprehensive responses by July 25. And in light of the Commission's order of July 18 continuing the status conference to August 17, Liberty suggests that the proposed August 5 deadline is reasonable.

Thank you.

Sincerely,
