Re: DE 21-020 Public Service Company of New Hampshire d/b/a Eversource Energy and Consolidated Communications of Northern New England Company, LLC d/b/a Consolidated Communications – Joint Petition to Approve Pole Asset Transfer

Dear Chairman Goldner:

In its initial post-hearing brief filed on June 3, 2022¹ in the above-captioned docket, the New England Cable and Telecommunications Association, Inc. (“NECTA”) indicated, at pages 20-21, that NECTA, on behalf of NECTA Members, had initiated the process for disputing Consolidated’s pole attachment rates. It further indicated that if the parties were unable to resolve their rate dispute, a petition for resolution of the rate dispute would be filed with the Commission in accordance with N.H. Admin. R. Puc 1304.03.

The purpose of this letter is to inform the Commission that because NECTA Members Charter Communications, Inc., Cogeco US Finance, LLC d/b/a Breezeline, and Comcast Cable Communications, LLC have been unable to resolve their pole attachment rate dispute with Consolidated, they have filed a Petition for Resolution of Rate Dispute with the Commission.

¹ See DE 21-020, Electronic Docket Entry #93 - NECTA’s Initial Brief (6/3/22).
