**RE: DE 21-020 Joint Petition to Approve Pole Asset Transfer
Corrected Compliance Tariff Page**

Dear Mr. Goldner:

By letter dated June 7, 2023, the Public Utilities Commission requested that Eversource Energy refile revised tariff page 2 to include an authorization footer as required by New Hampshire Code of Administrative Rules, Puc 1603.06(o). Eversource Energy files herewith a revised tariff page 2 consistent with that request.

A red-lined tariff page denoting all changes is also submitted for easy identification. Please let me know if there are any questions related to this filing.

Very truly yours,

Scott R. Anderson
