Re: DG 21-030; Unitil Energy Systems, Inc.; Request for Change in Rates; Motion to Amend Procedural Schedule

Dear Chairman Goldner:

Please accept on behalf of the Department of Energy the attached Motion to Amend Procedural Schedule in the above-captioned docket.

On February 14, 2022, the Commission issued a procedural order scheduling a hearing in this matter for March 1, 2022. I am the sole counsel for the Department in this matter, which has been ongoing for almost one year, and I am unavailable on March 1. Therefore, the Department requests that the hearing be re-scheduled to February 24, and that the Commission use March 1, 2022 only if the proceedings are not completed on February 24.

The following parties have assented to this Motion: Unitil Energy Systems, Inc., the Office of the Consumer Advocate, NH Department of Environmental Services, Clean Energy of NH, and ChargePoint, Inc. Conservation Law Foundation does not object to the Motion.

Consistent with the Commission's *Temporary Changes in Filing Requirements* (March 17, 2020), this letter is being filed solely in electronic form.

Thank you for attention to this matter.

Respectfully,

/s/ Paul B. Dexter
