**RE: DE 21-030: Expedited Motion for Clarification**

Chairman Goldner:

In connection with the above-referenced matter I enclose an Expedited Motion for Clarification requesting that the Commission clarify Order No. 26,623 to approve a revenue requirement of \$5,883,395. This change in the revenue requirement reflects the removal of \$440,118 in funding for the Company's proposed Arrearage Management Program, which the Commission declined to approve.

If possible, the Company requests that the Commission clarify its Order on this particular issue prior to the May 17, 2022 hearing on the Company's step adjustment filing in DE 22-026 and the May 18, 2022 compliance tariff filing deadline.

Thank you for your consideration of this matter.

Sincerely,
