**Re: DE 21-036 Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Petition for Approval of a Renewable Natural Gas Supply and Transportation
Agreement**

Dear Chairman Goldner:

In the July 12, 2022, procedural order in this docket, the Commisiosn granted Liberty's request to reactivate this docket and directed Liberty to "consult with the other parties and file either an agreed-upon procedural schedule or proposed procedural schedule on or before August 15, 2022. The proposed procedural schedule should include, if necessary, a deadline by which Liberty will file an amended petition stating what relief it is now seeking in light of SB 424-FN's enactment."

Below is Liberty's proposed procedural schedule, drafts of which Liberty provided to the other parties. The OCA indicated it takes no position on the proposed schedule. The DOE has not yet indicated whether it supports this proposal.

8/2/2022	Liberty provided draft RFP to DOE
8/26/2022	DOE to respond with comments on draft RFP (Liberty received initial comments from DOE on this date)
9/7/2022	Liberty to issue RFP
