**Re: Unitil Energy Systems, Inc.  
Docket No. DE 21-041; Compliance Tariff**

Dear Secretary Howland:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed by electronic filing only is a copy of the following tariff pages, filed in compliance with NHPUC Order No. 26,470 in the above referenced proceeding. These pages are for effect June 1, 2021.

**NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.**

Thirtieth Revised Page 74, Calculation of the Default Service Charge [Non-G1 Class]

Forty-First Revised Page 75, Calculation of the Default Service Charge [G1 Class]

In addition to the above referenced tariff pages, the approved change to UES's Default Service Charge [Non-G1 Class] also impacts the discounts provided on tariff page 6, Summary of Low-Income Electric Assistance Program Discounts. As part of its original filing in DE 21-041, UES did not include this tariff page as it was waiting for approval of changes pending in DE 18-036, for effect May 1, 2021, which will affect the Summary of Low-Income Electric Assistance Program Discounts. Furthermore, UES also has June 1, 2021 rate changes pending as part of DE 21-030 (the temporary rate increase request pursuant to RSA 378:27), which will also affect the Summary of Low-Income Electric Assistance Program Discounts. UES will file this tariff page, Summary of Low-Income Electric Assistance Program Discounts, upon approval of pending rates in the appropriate dockets.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Karen M. Asbury".
