Re: DM 21-058, Service King International Brokers LLC  
Application to Renew Registration as a Provider of Electric Aggregation Service

Dear Mr. Dominguez:

On March 19, 2021, Service King International Brokers LLC (Service King) submitted an application with the Commission to renew its registration as a provider of electric aggregation service.

Commission Staff filed a memorandum on March 30, 2021, summarizing its review of the application and recommending that a waiver be granted of the renewal application filing deadline under N.H. Admin. R., Puc 2003.06(a) and that Service King's registration renewal be approved for a two-year term, beginning on March 7, 2021, pursuant to Puc 2003.06(e)(1).

The Commission has granted the recommended rule waiver, having found that it would serve the public interest and would not disrupt the orderly and efficient resolution of matters before the Commission, under Puc 201.05. Accordingly, Service King's application for registration renewal is approved, effective as of March 7, 2021, under Puc 2003.06(e)(1). The renewed registration is for a term of two years and expires at the close of business on March 7, 2023. Pursuant to Puc 2003.06(a), you must submit your next renewal application at least 60 days prior to the expiration of the approved registration term, on or before January 6, 2023.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Admin. R., Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>.

Sincerely,
