Re: Renewal filing by Axsess Energy Group, LLC to provide electric aggregation service

This request is submitted as a supplement to the electric aggregator renewal application submitted yesterday, April 20, 2021. Since our renewal application was not filed timely pursuant to the PUC rules, Axsess Energy Group requests a rule waiver of PUC 2003.06 (a).

Please call me at 508-351-9050 if you have any questions.
