PUBLIC UTILITIES COMMISSION

21 S. Fruit St., Suite 10
Concord, N.H. 03301-2429

June 3, 2012

Re: DW 21-090, Abenaki Water Company and Aquarion Water
Petition for Approval of the Acquisition of Abenaki Water Company by Aquarion Company
Briefing Schedule

To the Parties:

The Commission has construed the OCA's motion as a request to modify the briefing schedule and has granted that request. Legal briefing on the standard to be applied in this proceeding, including the argument that a "net benefits" test should be applied rather than a "no net harm" standard, would assist the Commission in determining the issues before it. Parties may file an initial legal brief on those issues of no more than 5 pages in length no later than June 9, 2021. Any party may file a reply brief of no more than 5 pages in length no later than June 16, 2021.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
