SUBJECT: DM 21-092, Satori Enterprises, LLC
Application to Renew Registration as a Provider of Electric
Aggregation Service
Staff Recommendation

TO: Debra A. Howland, Executive Director

On May 3, 2021, Satori Enterprises, LLC (Satori) filed an application to renew its registration as a provider of electric aggregation service. Satori's currently-effective registration runs through May 1, 2021.

Staff has reviewed the application and has determined that the filing is complete and the application meets the requirements for registration under N.H. Admin. R., Puc 2000. Staff notes that, pursuant to Puc 2003.06(a), Satori's renewal application should have been filed at least 60 days prior to the expiration of the currently-effective registration, on or before March 2, 2021. Staff recommends that a waiver of Puc 2003.06(a) be granted and that Satori's application to renew its registration as a provider of electric aggregation service be approved, effective as of May 2, 2021, for a term of two years.
