Re: DG 21-104 Northern Utilities, Inc. – Settlement on Temporary Rates

Dear Chairwoman Martin:

I write to advise the Commission that Northern Utilities, Inc., the Department of Energy, and the Office of the Consumer Advocate have reached a settlement in principal on the Company's request for temporary rates and are in the process of reviewing a draft agreement document, which could be filed as early as today.

Northern is providing this update to the Commission as this information may useful for the purposes of scheduling a hearing on temporary rates.

Sincerely,
