Re: Granite Telecommunications, LLC Advice Letter No. 6, FCC 8YY Access Reform/47
C.F.R. §51.911 Toll Free Access Rate Compliance

Dear Secretary Howland:

Pursuant to the Federal Communications Commission's October 9, 2020 Report and Order in WC Docket No. 18-156, FCC 20-143, ("8YY R&O") and Section 51.911(c) of the Federal Communications Commission's rules, 47 C.F.R. §51.911(c), Granite Telecommunications, LLC ("Granite") submits to the New Hampshire Public Utilities Commission an original and six (6) revised sheets 4 and 38 to its New Hampshire switched exchange access service tariff, New Hampshire P.U.C. Tariff No. 1.

With this submission, Granite complies with the 8YY R&O by bifurcating its originating access rates between toll-free (8YY) and non-toll-free rates and benchmarking its toll-free originating and Toll Free Data Base Access Service to the corresponding interstate access rates for New Hampshire as set forth in Granite's interstate F.C.C. Tariff No. 1, effective July 1, 2021, or otherwise upon Commission approval. Granite's F.C.C. Tariff No. 1 may be viewed at <https://apps.fcc.gov/etfs/public/tariff.action?idTariff=442>.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
