Re: DW 21-115 Pennichuck Water Works, Inc.
Special Contract with Anheuser-Busch, LLC
Supplemental Reconciliation

Dear Chairman Goldner:

Enclosed please find Pennichuck Water Works, Inc.'s (Pennichuck) supplemental reconciliation in PDF and Excel formats. This reconciliation schedule differs from the one originally filed on July 22, 2022 as follows:

1. Contract 5, Account 100020308, Column W, had the incorrect DW19-084 rate recoupment amount. The amount in the 8-4 reconciliation was the amount for Account 100012322 instead of the amount for Account 100020308.
2. Contract 5 – Both account reconciliation formulas inadvertently double counted the flushing credits. This has been corrected.

These revisions reduce the credit owed to Anheuser-Busch to (\$29,828.28) from (\$31,915.59). Pennichuck apologizes for any confusion this revision may cause. Pennichuck thanks the Commission for its review of this reconciliation. This reconciliation is being provided to the service list for this docket with the expectation that the Department of Energy will be filing its position on the reconciliation.

Very Truly Yours,
