Re: DG 21-131, Northern Utilities, Inc.

Motion for Clarification of Order No. 26,626

Dear Chair Goldner:

On May 12, 2022, the Commission issued Order No. 26,626 on a *nisi* basis authorizing Northern Utilities, Inc. - New Hampshire Division (“Northern” or the “Company”) to adjust its base cost of gas (“COG”) rate effective June 1, 2022. As part of that ruling, the Commission did not clarify whether Northern was authorized to make further adjustments to the base COG rate consistent with the Commission’s prior practice and rulings. Accordingly, for avoidance of doubt, the Company submits the enclosed motion for clarification seeking to clarify the application of the Commission’s prior practice to Order No. 26,626.

Thank you for your attention to this matter and please do not hesitate to contact me if you have any questions concerning this filing.

Sincerely,
