LIBERTY UTILITIES (ENERGYNORTH NATURAL GAS) CORP.

d/b/a LIBERTY-KEENE DIVISION

2021-2022 Winter Cost of Gas

Procedural Order Re: Updated Cost of Gas Filing

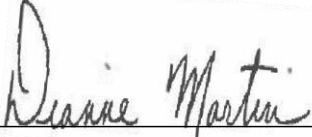

On October 18, 2021, Liberty Utilities (EnergyNorth) Corp. d/b/a Liberty-Keene Division (Liberty-Keene) filed an updated version of its cost of gas (COG) filing in this docket. Liberty-Keene did not include with its filing updated responses to the record request previously issued by the Commission in this docket. In addition, while Liberty-Keene filed a summary of changes between the original filing and the updated filing, an annotated version is necessary for the changes to be readily apparent in the updated documents. Liberty-Keene is therefore directed to provide, within two calendar days of this order, the following to the Commission and the parties:

1. An updated response to the Record Request issued on October 12, 2021; and,
2. All updated COG schedules in redline form to show any changes from the original filing.

The Commission reminds Liberty-Keene of its obligation to promptly update information provided to the Commission when circumstances change and modifications are made to requested rate relief. This obligation is especially important in dockets where hearings and rulings are required in such short time frames.

Liberty-Keene shall produce the above to the Commission and the parties to this docket, on or before October 22, 2021.

So ordered, this twentieth day of October, 2021.

Chairwoman
