 Subject: Community Action Agency Electric Assistance Program Budgets and Variance sheet

To whom it may concern,

Please find attached, the approved CAA EAP Budgets and Variance sheet for PY21/22. We apologize for the late submission. As you are aware, there was a change of program administration and staffing which transpired rather quickly, and this was a minor oversight. We have implemented many processes and procedures to avoid this miscommunication in the future, and are confident that we will continue to provide complete and seamless support for the program going forward.

Please advise should you have any questions or if you require anything further.

Thank you for your time,
