

Docket No. & Name: DE 21-133 – Low Income Electric Assistance Program
2021-2022 Electric Assistance Program Budgets

Presiding Officer: Chairman Daniel C. Goldner Commissioners: Special Commissioner
Anne Ross

Hearing Examiner Report Due: _____

Appearances:

Other Rulings: Record requests are due by August 29, 2022.

The Commission will issue an order with record requests.

Intervention Granted:

1. Update the monthly enrollment figures for the EAP program since January 2022.
2. What were the collections and expenditures on a monthly basis during the 2021-2022 EAP Program year?
3. What is the current reserve balance in the EAP account?

4. When will a DOE audit of the 2021-2022 EAP program be available?
5. Assuming the current EAP design remains in place and assuming enrollment levels equal to the 2021-2022 EAP program year forecast the spenddown in the EAP account on a monthly basis through the coming 2022-2023 program year. Explain all other assumptions in making these projections and feel free to use a range of assumptions if helpful.
6. Suggest the most efficient method for giving the Commission monthly updates on a going forward basis for questions 1, 2 and 3 above.
