Re: Conditional Approval of Final Proposal 2022-14

Dear Commission Members:

At its meeting on September 16, 2022, the Joint Legislative Committee on Administrative Rules (Committee) voted, pursuant to RSA 541-A:13, V(a), to conditionally approve Final Proposal 2022-14 of the Public Utility Commission (Commission) containing rule Puc 2200 relative to municipal and county aggregation. The Committee's approval was conditioned on amending Final Proposal 2022-14 as specified in the Commission's conditional approval request dated September 7, 2022.

Pursuant to RSA 541-A:13, V(a), you are required to submit a written explanation detailing how the rules have been amended in accordance with the conditional approval within 7 days of the date of the next regularly scheduled meeting of the Commission. The explanation shall include a letter and a text of the entire final proposed rule, annotated to show the amendments.

The explanation shall be reviewed by the Office of Legislative Services to determine whether the rules have been amended in accordance with the conditional approval and RSA 541-A:13, V(a). If it is determined that the rules have not been amended in accordance with the conditional approval and RSA 541-A:13, V(a), the conditional approval will be deemed a Committee vote to make a preliminary objection as of the date of the conditional approval, and you must respond to the preliminary objection as specified in RSA 541-A:13, V(c).

Please be advised that you may not adopt the rules until the Office of Legislative Services sends written confirmation that your amendments are in accordance with the conditional approval and RSA 541-A:13, V(a).
