Procedural Order Re: Assented-to Motion to Modify Procedural Schedule

By procedural order dated October 3, 2022, the Commission approved the parties' proposed procedural schedule, which did not specify a time for the October 17, 2022 technical session. On October 14, 2022, Northern Utilities, Inc. (Northern) filed a motion to modify the procedural schedule to move the technical session, which will be held by videoconference, to October 18, 2022, at 2:30 p.m. Northern represented that the remaining parties - the Office of the Consumer Advocate, the New Hampshire Department of Energy, and Foss Performance Materials, LLC (f/k/a Foss Manufacturing Company, LLC) - assented to this request.

Northern's motion to modify procedural schedule is GRANTED. The remainder of the procedural schedule approved by procedural order on October 3, 2022, including the November 16, 2022 hearing date, remains in effect.

So ordered, this seventeenth day of October, 2022.
