Re: DW 22-002 – Pennichuck Water Works, Inc., Pennichuck East Utility, Inc.,  
Pittsfield Aqueduct Company, Inc. - Miscellaneous Fees  
Department Letter Motion to Suspend Tariffs

Dear Chairman Goldner:

Earlier today the Department of Energy filed a letter motion requesting the Commission take action regarding tariffs the above Companies filed to take effect on Friday. In that letter motion, the Department did not address the 10-day objection period contained in Puc 203.07(e). This letter is to inform the Commission that prior to Friday and well before the expiration of the 10-day objection period, the Company plans to file a reply to the motion for the Commission's consideration. In the meantime, the Companies are in contact with the Department and the Office of the Consumer Advocate as it formulates that position.

Thank you for your attention to this docket.

Very Truly Yours,

Marcia A. Brown
