**Re: Petition of Pennichuck Water Works, Inc. for Approval
of Proposed 2022 Qualified Capital Project
Adjustment Charge
Docket DW 22-006**

Dear Chairman Goldner:

On behalf of Pennichuck Water Works, Inc., please see the attached Motion to Reschedule the Prehearing Conference in Docket DW 22-006. On April 13, 2022, the Commission issued a Notice of Commencement of Adjudicatory Proceeding and Notice of Prehearing Conference, as well as hearing guidelines. The Notice of Commencement scheduled the prehearing conference for June 3, 2022 at 1:30pm. Due to pre-planned trips and other existing conflicts, key Company personnel necessary for the prehearing conference will not be available on June 3, 2022. In addition, counsel for the Company will also not be available due to an existing scheduling conflict. The Company therefore respectfully requests that the hearing be rescheduled to either June 15, 2022, June 28, 2022, or June 29, 2022. The Company did confer with the Department of Energy, and Staff will be available on these dates.

This filing is made electronically in accordance with the Secretarial Letter dated March 17, 2020. Please let me know if you have any questions or concerns. Thank you for your attention to this matter.

Sincerely,

James J. Steinkrauss
