PENNICHUCK WATER WORKS, INC.

2022 Qualified Capital Project Adjustment Charge

Docket No. DW 22-006

MOTION TO RESCHEDULE THE PREHEARING CONFERENCE

NOW COMES Pennichuck Water Works, Inc. (“PWW” or “Company”), a corporation duly organized and existing under the laws of the State of New Hampshire and operating therein as a public utility subject to the jurisdiction of the New Hampshire Public Utilities Commission (the “Commission”), that hereby moves the Commission, pursuant to PUC 203.07, to amend the Notice of Commencement of Adjudicative Proceedings and Notice of Prehearing Conference issued on April 13, 2022 in Docket No. DW 22-006 which scheduled a prehearing conference for June 3, 2022 at 1:30 p.m. to change the date of the pre-hearing conference. In support of this request, the Company states the following:

1. PWW filed a petition for approval of its 2022 Qualified Capital Project Adjustment Charge (“QCPAC”) on February 14, 2022.
2. The complete docket of this proceeding can be found at the Commission’s website at: <https://www.puc.nh.gov/Regulatory/Docketbk/2022/22-006.html>
3. On February 16, 2022, the Commission issued a Letter of Acknowledgement in receipt of the Company’s petition.

4. On February 17, 2022, the Company filed a notice of service list change.
5. On March 31, 2022, the Department of Energy (“Department”) filed a notice of appearance including a notice of service list change.
6. On April 12, 2022, the Department filed a petition or assented-to motion for a proposed procedural schedule in Docket No. DW 22-006.
7. The Commission issued the Notice of Commencement of Adjudicative Proceeding and Notice of Prehearing Conference on April 13, 2022, along with a Notice of Hearing Guidelines which set a date for the prehearing conference on June 3, 2022 at 1:30pm.
8. The Company is not available on June 3, 2022, due to a number of pre-planned trips and other conflicts in which key personnel necessary for the pre-hearing conference will not be available. In addition, counsel for the Company will also not be available due to an existing scheduling conflict.
9. Because of these conflicts, the Company consulted with the Department and agreed that both the Company and Department, the only parties to this docket, are available for the pre-hearing conference and technical session to follow either on June 15, 2022, June 28, 2022 or June 29, 2022.

WHEREFORE, the Company respectfully requests that the Commission amend the existing Notice of Commencement of Adjudicative Proceeding and Notice of Prehearing Conference to reschedule the prehearing conference to be held either on June 15, 2022, June 28, 2022 or June 29, 2022.

Respectfully submitted,
