Procedural Order Re: Request to Extend Deadline

The Commission issued a procedural order on June 15, 2022, approving the parties' procedural schedule, which included a September 14, 2022 deadline for filing a settlement agreement. On September 9, 2022, Pennichuck Water Works, Inc. (PWW) filed a motion requesting an extension of the September 14 deadline to September 28, 2022, to allow the parties additional time to prepare the necessary attachments and exhibits for filing the settlement agreement. PWW represented that the New Hampshire Department of Energy assented to its request.

PWW's request for an extension is GRANTED. See N.H. Admin. R., Puc 202.04. The parties shall file the settlement agreement on or before by Wednesday, September 28, 2022.

So ordered, this thirteenth day of September, 2022.
