RE: Docket No. DG 22-020: Northern Utilities, Inc.
Motion to Re-Open Docket and Accept Compliance Filing

Chairman Goldner,

In connection with the above-referenced matter I enclose Northern Utilities, Inc.'s Motion to Re-Open Docket DG 22-020 for the limited purpose of accepting and approving the Company's tariff filing in compliance with Order No. 26,675 (August 31, 2022), which approved recovery of an approved \$1,554,966 step increase revenue requirement over an initial eleven-month period and subsequent twelve month periods:

We approve this amount for distribution rate recovery by Northern for an initial eleven (11)-month recovery period, for service rendered from September 1, 2022, through July 31, 2023, as specified by Order No. 26,650 in Docket No. DG 21-104. Subsequently, step increase revenues will be recovered on an August 1 through July 31 annual basis, and adjusted accordingly.

The enclosed compliance filing comprises tariffs with rates adjusted to reflect the above-directed twelve-month recovery period.

Thank you for your assistance with this matter.
