**Re: Docket No. DE 22-024; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty  
Default Service Solicitation**

Dear Chairman Goldner:

In Order No. 26,758 (Jan. 13, 2023) in the above docket the Commission approved the Company's request to self-supply default service to its large customer group for the period February 1 through April 30, 2023. The Order, at page 8, also directed Liberty to file "periodic (monthly) default service pricing reports ... which will provide information about current pricing outcomes in our regional competitive electricity market."

The Company filed its first monthly report on March 18, 2023, providing February 2023 information.

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, and in compliance with the above directive, attached please find the March 2023 Default Service Report and supporting Excel file, which contain information for March and updates to the previously filed February report.

Thank you.

Sincerely,
