PUBLIC UTILITIES COMMISSION

Docket No. DE 22-024

LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP.  
d/b/a LIBERTY

**2022 Default Service Solicitations**

**Motion for Remote Participation**

Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, through counsel, respectfully moves the Commission pursuant to Puc 203.07 to allow for remote participation of two members of Liberty's team who cannot appear in person during the November 17, 2022, prehearing conference in this docket.

In support of this motion Liberty states the following:

1. On October 11, 2022, the Commission granted Liberty's request for a prehearing conference to discuss Liberty's planning for alternatives in the event the Company experiences a failed solicitation. The Commission scheduled the prehearing conference for November 17, 2022.
2. John Warshaw, who manages the New Hampshire default service solicitations for Liberty, will be present at the prehearing conference.
3. Two out-of-state members of Mr. Warshaw's team also wish to participate in the discussion. Aaron Doll is the Senior Director, Energy and Strategy, and Brad Parker is the Senior Manager, Energy Support and Integration Services.
4. Mr. Doll and Mr. Parker have experience in the issues that will likely be discussed at the prehearing conference. Both Mr. Doll and Mr. Parker are based in Joplin, Missouri.
5. To allow for the participation of Messrs. Doll and Parker, and to avoid the expense of having them travel to New Hampshire, Liberty files this motion to request that they be allowed to participate remotely.

WHEREFORE, Liberty respectfully requests that the Commission:

- (1) Allow Mr. Doll and Mr. Parker to participate in the November 17, 2022, prehearing conference remotely; and
- (2) Order such further relief as may be just and equitable.

Respectfully submitted,

Liberty Utilities (Granite State Electric) Corp., d/b/a
