**Re: DG 22-028; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Step Adjustment-Compliance Tariff**

Dear Chairman Goldner:

On August 31, 2022, the Commission issued Order No. 26,676 in Docket No. DG 22-028 authorizing Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty ("Company") to implement rates for recovery of \$ 4 million attributable to the delayed first step adjustment. Additionally, the August Order stated that the recovery of the \$ 4 million was "effective September 1, 2022, with an eleven (11)-month rate initial recovery period through July 31, 2023" ("August Order").

On behalf of the Company, and pursuant to the August Order, enclosed with this cover letter are electronic copies of the "clean" and "redlined" compliance tariff pages which reflect a \$4 million decrease in the Company's revenue requirement.

Please don't hesitate to contact me if you have any questions.

Sincerely,

/s/ James M. King
