**Re: Docket No. DE 22-035  
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty  
Step Adjustment, Tariff Compliance Report and Motion to Amend Order**

Dear Chairman Goldner:

On May 31, 2023, the Commission issued Order 26,836 (the "Order"), following a hearing the day prior, which allowed Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (the "Company") to increase its revenue requirement by approximately \$1.3 million effective June 1, 2023. The Order also stated that the upward adjustment to the Company's revenue requirement was to terminate on May 31, 2024.

In compliance with the Order, the Company hereby files its Tariff and associated rates and revenue per customer amounts to reflect the reduction in its revenue requirement. However, the Company has determined that the upward adjustment was not intended to be a temporary adjustment. Therefore, the Company also includes with this letter a Motion to Amend Order No. 26,836 (May 31, 2023) and to Approve Recovery of an Over-Refund, with the supporting Technical Statement of Tyler J Culbertson and Alyssa E. Maston.

Please do not hesitate to contact me with any questions. Thank you.

Sincerely,
