Re: DG 22-041; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty;
Petition for Approval to Recover Revenue Decoupling Adjustment Factor Costs;
Correction to the Direct Testimony of Faisal Deen Arif and Mark Thompson for the
Department of Energy

Dear Chairman Goldner:

On April 20, 2023, the Department of Energy (Department) pre-filed written direct Testimony of Faisal Deen Arif and Mark Thompson in this docket. Since filing, during the discovery process, the Department was made aware of a typographical error in that written testimony at Bates p. 5, Lines 21-22. The testimony was filed as follows:

“This testimony does address any concerns the DOE may have about opening issues from cases that have been closed for years and effectively changing rates that were approved years ago.”

The word “not” was missing from this sentence, and it should have read:

“This testimony does not address any concerns the DOE may have about opening issues from cases that have been closed for years and effectively changing rates that were approved years ago.”

The Department intends to ask its witnesses to make this correction when the pre-filed testimony is adopted at a hearing in this matter and regrets any inconvenience caused by this error.

Consistent with the Commission’s current practices this letter is being filed only in electronic form.

Sincerely,

/s/ Paul B. Dexter
