CITY OF SOMERSWORTH

Petition to Extend Water Service Area

Procedural Order Re: Closing Docket

On September 14, 2022, the Commission issued Order No. 26,685, an order *nisi* approving the City of Somersworth's (Somersworth) petition to extend its existing water service area to include an additional residential property. Order No. 26,685 set a deadline of October 4, 2022 for filing comments and requests for a hearing, but none was filed. It also stated that the order would become effective on October 14, 2022, unless Somersworth failed to comply with its publication obligation, or the Commission issued a supplemental order before this date. Although Somersworth filed its affidavit of publication after the September 27, 2022 deadline, publication occurred within the required deadline. Accordingly, this docket is now closed.

So ordered, this seventeenth day of October, 2022.
