Re: DW 22-058; Bedford Waste Services Corporation – Step 2 Tariff Compliance Filing  
New Hampshire Department of Energy’s Analysis and Recommendation

Dear Chairman Goldner:

On April 19, 2024, Bedford Waste Services Corporation (Bedford, the Company) filed tariff pages as requested in Commission Order No. 26,956 (March 7, 2024). The DOE fully reviewed Seventh Revised Page 7 as submitted by the Company. Based on its examination, the DOE takes no exception to the Company’s filing.

Seventh Revised Page 7, the Company’s Step 2 Compliance Tariff, was issued by Stephen P. St. Cyr, Bedford’s Manager, on April 19, 2024, with an effective date of April 6, 2024. It presents a yearly per customer rate of \$952.77 billed in quarterly installments of \$238.19 each as authorized by NHPUC Order No. 26,956, in Docket No. DW 22-058, dated March 7, 2024.

In conclusion, the DOE has determined that Bedford’s Seventh Revised Page 7, submitted April 19, 2024, should be accepted as submitted.

Thank you for your consideration.

Sincerely,

Robyn J. Descoteau  
Utility Analyst, Water Group  
Regulatory Support Division
