Dear Mr. Goldner:

In accordance with the "Temporary Changes in Filing Requirements" dated March 17, 2020, on behalf of Bedford Waste Services Corp. ("Bedford" or "Company"), attached is Bedford's rate filing for temporary rates in DW 22-058. Additionally, a copy has been sent to Mr. Kreis, the Consumer Advocate and the homeowners' association.

The temporary rate filing includes the following:

Report of proposed rate changes

Proposed tariff rate page

Direct testimony of Stephen P. St. Cyr

Filing requirement schedules for temporary rates (including adjustments)

Mr. St. Cyr's attestation

Bedford believes that it has met the temporary rate case filing requirements. It is our understanding that the Commissioners will schedule a prehearing conference and technical session to consider motions for intervention and a procedural schedule. Bedford also anticipates being able to discuss and resolve any issues that may arise during the proceedings. If the Commissioners and/or its Staff have any questions, please contact me at 207-423-0215.

Sincerely,

Stephen P. St. Cyr
