RE: Docket No. DE 22-060 - Consideration of Changes to the Current Net Metering Tariff Structure, Including Compensation of Customer-Generators
Joint party settlement notification

Chairman Goldner:

By this letter, Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty; Public Service Company of New Hampshire d/b/a Eversource Energy; Unitil Energy Systems, Inc.; the Office of the Consumer Advocate; Conservation Law Foundation; Clean Energy New Hampshire; Granite State Hydropower Association; and Standard Power of America (the "Parties") hereby respectfully notify the Commission that a settlement agreement has not yet been finalized in this docket. The Parties appreciate that the Commission was responding to a party request at the status conference that the Commission provide a deadline for any settlement agreement to be filed. But with the hearings likely to be scheduled in late August, and issuance of the Commission's record requests in this docket, which are currently the subject of two motions for rehearing filed by certain of the Parties, the Parties put the development of the settlement agreement on hold pending the outcome of these recent developments. The Parties would respectfully request to file any settlement agreement in this docket consistent with the parameters of Puc 203.20.

Consistent with current Commission policy this filing is being made electronically only; paper copies will not follow. If you have any questions, please contact me. Thank you for your assistance with this matter.
