DEPARTMENT OF ENERGY  
21 S. Fruit St., Suite 10  
Concord, N.H. 03301-2429

June 27, 2024

Daniel C. Goldner, Chairman  
New Hampshire Public Utilities Commission  
21 South Fruit Street  
Concord, NH 03301

Re: DE 22-060, Electric Distribution Utilities, Consideration of Changes to the Current Net Metering Tariff Structure, Including Compensation of Customer-Generators; Request for Remote Participation of Alex Hill and Anirudh Kshemendranath, Dunsky Energy + Climate Advisors

Dear Chairman Goldner:

Pursuant to the Hearing Guidelines issued on September 20, 2022, in the above-captioned matter, the Department of Energy (“Department”) submits this request on behalf of Alex Hill and Anirudh Kshemendranath from Dunsky Energy + Climate Advisors (“Dunsky”) for permission for Dunsky to appear remotely at the August 20, 2024, and August 22, 2024, Hearings scheduled in this matter.

Mr. Hill and Mr. Kshemendranath are both located in Canada – Mr. Hill is based out of Montreal, and Mr. Kshemendranath is based out of Toronto -and requiring them to travel to New Hampshire for the hearings would be unduly burdensome. The Department therefore requests on their behalf that they be allowed to appear remotely.

The Department notes that Mr. Hill and Mr. Kshemendranath are not the Department’s witnesses, and their testimony should not be considered to represent the Department’s position in this proceeding. Rather, the Department makes this request on behalf of Dunsky as part of its role in administering the VDER study contract that stemmed from Commission Order No. 26,316, in order to make the authors of the VDER study available for questioning about the VDER study by the Commission and by parties to this proceeding, pursuant to Puc 203.24.

Consistent with the Commission’s current practices, this letter is being filed only in electronic form.

Sincerely,

*/s/ Alexandra K. Ladwig*

Alexandra K. Ladwig  
Staff Attorney/Hearings Examiner  
Department of Energy
