Petition for Approval of Step Adjustment

Audit Report by Department Enforcement Division/Audit Staff

Dear Chairman Goldner:

As requested by the Commission at today's prehearing conference, please find attached the Audit Report on Lake Region Water Company's Petition for Approval of Step Adjustment. Pursuant to long-standing Commission policy, the Department of Energy will not provide paper copies of this filing.

The Department of Energy suggests that the Audit Report be marked as response to the Commission's record request at the prehearing conference, for purposes of including it in the record of this proceeding.

If the Commission has any questions about this Audit Report, please address those questions directly to me, and I will be happy to respond.

Thank you for your attention to this matter.

Sincerely,
