Petition for Approval of a Regulatory Asset and Waiver of Puc 2203.02(b)(5)

Procedural Order Re: Closing Docket

On June 26, 2023, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a letter withdrawing its request for approval of a regulatory asset in this matter, and requesting that this docket be closed. Eversource noted that a separate cost recovery proposal to recover incremental costs stemming directly from implementing and complying with the Puc 2200 rules has been filed by Eversource and other regulated electric utilities, which the Commission has assigned Docket No. DE 23-063. No replies to Eversource's June 26, 2023 letter have been filed. As such, Eversource's request for approval of a regulatory asset is deemed withdrawn.

A review of this docket indicates that no further action by the Commission is necessary. Therefore, the hearing scheduled on August 15, 2023 is canceled and this docket is now closed.

So ordered, this twentieth day of July, 2023.
