PUBLIC UTILITIES COMMISSION**

**DE 23-021**

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE  
d/b/a EVERSOURCE ENERGY**

**Petition for Approval of Change in  
Regulatory Reconciliation Adjustment Mechanism Rate**

**Procedural Order Re: June 29, 2023 Hearing**

By order of notice dated May 5, 2023, the Commission scheduled a hearing in the above-captioned matter on June 29, 2023. On June 22, 2023, the Commission issued a procedural order requesting the New Hampshire Department of Energy (DOE) to file an analysis and recommendation by June 27, 2023. In its June 27 response to this procedural order, the DOE stated that it would be unable to make a recommendation until it obtained Public Service Company of New Hampshire d/b/a Eversource Energy's (Eversource) responses regarding several subjects.

To allow the DOE to file its analysis and recommendation prior to the hearing, and so that the other parties have ample opportunity to respond, as necessary, the Commission has rescheduled this matter to July 11, 2023, starting at 9:00 a.m. The hearing shall be conducted in person, in accordance with the previously issued hearing guidelines. The DOE is requested to file its analysis and recommendation on Eversource's proposed revised Regulatory Reconciliation Adjustment Mechanism rate on or before July 7, 2023.

So ordered, this twenty-eighth day of June, 2023.
