Re: DE 23-023 Request for Approval of New Boston Community Power Plan

Dear Chairman Goldner,

The New Boston Community Power Plan was submitted for Commission review and approval prior to being submitted to the Town's legislative body (voters at town meeting) for approval as allowed under Puc 2204.01(a). The plan was approved by the legislative body on March 28, 2023. This notification is being sent at the same time to the department of energy, office of the consumer advocate, and Eversource, the distribution utility serving New Boston, as required under Puc 2204.01(g).

Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Paul Branscombe
