**Re: Docket No. DE 23-039; Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty  
Request for Change in Distribution Rates  
Status Report**

Dear Chairman Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, and as the Commission requested in its August 2, 2024, Procedural Order, I write to provide an update regarding settlement discussions.

All parties have met on several occasions to discuss a comprehensive settlement agreement. The discussions have been productive. If the parties are able to resolve the remaining issues, the Company expects that the agreement will propose new rates and other terms to be effective November 1, 2024. Therefore, and again subject to a successful completion of the discussions, the parties are working toward filing an agreement in the coming weeks with a request that the Commission schedule a hearing in time to allow for a November 1 implementation date.

Thank you.

Sincerely,
