Dear Chairman Goldner:

On November 14, 2023 the New Hampshire Public Utilities Commission (the "Commission") issued a Procedural Order (the "Order"). The Order directs Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty (the "Company") to file MS Excel workbooks for all materials previously filed in this docket no later than November 28, 2023. The Order also creates an ongoing obligation to provide the MS Excel workbooks for any future filings. The Company provided the MS Excel workbooks in support of its initial filing on June 14, 2023. The Company also provided the MS Excel workbooks in support of its revised temporary rates filing on July 5, 2023.

Together with this letter, the Company is submitting the following additional MS Excel workbooks: (1) the MS Excel version of the Company's temporary rate schedules filed on June 26, 2023; and (2) the MS Excel version of the Company's revised Exhibit 3 submitted on July 5, 2023. Also enclosed is Attachment OCA 5-33. While discovery responses are not filed with the Commission, Attachment OCA 5-33 revises Attachment DOE 1-1.5 that was submitted to the Commission on June 14, 2023.

The Company has not identified any other materials responsive to the Order, subject to additional feedback from the Commission.

Please contact me if you have any questions. Thank you.

Sincerely,

Jessica Buno Ralston
