RE: Docket No. DE 23-043, Public Service Company of New Hampshire
d/b/a Eversource Energy 2023 Energy Service Solicitation
Eversource Filing of Record Request Response – Exhibit 11

Dear Chairman Goldner:

Pursuant to the Commission’s directive issued during the hearing held in this proceeding on March 19, 2024, Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”) hereby submits a response to the Commission’s record request regarding Eversource affiliates’ experience with limited direct market participation in Massachusetts and Connecticut in the 2022-2023 time period. This response is intended to be included as Exhibit 11 in the record of this proceeding.

Information regarding Eversource’s self-supply during 2014 is not readily available, as anticipated by Eversource’s witness during the March 19th hearing, and therefore is not included in this response.

Consistent with current Commission policy, this filing is being made electronically only and paper copies will not follow. If you should have any questions, please contact me.

Sincerely,

/s/ David K. Wiesner
